Office of Legislative Counsel

Journal

Thursday - 22 January 1959

25X1

25X1

1. [ ] telephoned to advise that [ ] in the Security Office had lunch with Richard Bray today and Bray attempted to interest [ ] in accepting a position with the International Operations Subcommittee of the House Committee on Government Operations.

2. Mr. William Connell in the office of Senator Hubert H. Humphrey telephoned to get a last minute check on whether or not the article prepared by the Senator in Moscow for publication in Izvestia had ever been published. He was advised that so far as we have been able to determine the article has never been published.

3. Met with Captain Gray in General Twining's office and received the prepared statement used by General Twining in his appearance before Senate Armed Services Committee. Also delivered to Captain Gray the Director's prepared statement delivered before the CIA Subcommittee of Senate Armed Services. See Memorandum for the Record for full details.

25X1

4. [ ] telephoned to advise that the Director had spoken with Senator Kenneth B. Keating (New York) and in the course of the conversation invited the Senator to come down to the Agency at his convenience. Senator Keating indicated he would very much like to do so.

25X1

5. [ ] (OSI) called in connection with the meeting between Congressman Victor L. Anfuso (D., New York) and the Director, which he attended. The Director has offered to make [ ] available to Congressman Anfuso for a briefing on space matters. [ ] [ ] will contact the Legislative Counsel prior to arranging an appointment with Mr. Anfuso next week. [ ] also reported Anfuso's information to the Director that Charles Ducander has been appointed Staff Director of the House Space Committee. [ ] (Security) was asked to check on Mr. Ducander.
